Notes for Richard Charles Smith:

NOTE: This entry reflects a personal communication between Steven Cupo (brother to Richard) and his mother (Ruth Marion [Smith] Cupo) that was recorded as a handwritten note by Steven in his daily journal on 3/199

- Richard Charles Smith
- Born out of wedlock in August or late summer 1951 at Brady Children's Home/Brady Hospital in Albany, NY
- Richard was born with a tumor on his intestine
- Richard's father was a 70 year old orderly in the psychiatric ward of possibly Ellis Hospital or Sunnyview Hospital in Schenectady, NY, where Ruth was a nurse
- Richard's father was possibly later killed by a patient
- Late in Ruth's pregnancy, she was sent to live with her mother's younger sister (Leocadia -- Louise-- Winchester and her husband Ward) at their bed-and-breakfast in New Hampshire
- Richard was adopted by a family possibly in Canajoharie, NY, in late 1951/early 1952
- Roy Smith (Ruth's father) paid for Richard's operation to remove the tumor but, as a consequence, Roy required Ruth to remain in the nursing profession when she had expressed a desire to become an English teacher
- Within the next year, Ruth married Everard Cupo in July 1952.

Notes for Steven Roy Cupo:

FAGM #145603069, with tombstone picture -- Although Steven is not yet deceased, Steven wanted to ensure that his headstone matched the headstones of the three relatives that he will be buried near, most particularly his grandmother, Helen Smith. Steven's burial plot came about because Roy and Helen Smith purchased a four-top on sale in 1963; thinking they and one of their daughters and husband would be buried in the four plots. Unfortunately, Helen's older brother died young with no funds or spouse to cover full burial costs. Thus, Helen had her brother John buried in the third unassigned plot. Upon Roy's and Helen's deaths, their middle daughter, Shirley LeFevre, inherited the unassigned fourth plot. However, since she was going to be buried next to her first husband, Pete, she did not want or need it. Steven asked his Aunt Shirley if he could have the fourth unassigned plot. Aunt Shirley said yes and immediately sent the deed. Steven then Googled headstone makers in Schenectady, NY, contacted one and asked if they could duplicate the existing headstone design. Even after Steven sent the design information, they sent a representative to Viewland Cemetery to take their own measurements. Being that the headstone was standard in design, they had no trouble matching the existing headstones of the three relatives already buried. Steven commissioned the headstone and, upon completion, had it placed on the empty plot in 2009. Steven's spouse Daniel has requested to be cremated, leaving Steven with an opportunity to be buried with loved ones.
