Notes for Steven Roy Cupo:

FAGM #145603069, with tombstone picture -- Although Steven is not yet deceased, Steven wanted to ensure that his headstone matched the headstones of the three relatives that he will be buried near, most particularly his grandmother, Helen Smith. Steven's burial plot came about because Roy and Helen Smith purchased a four-top on sale in 1963; thinking they and one of their daughters and husband would be buried in the four plots. Unfortunately, Helen's older brother died young with no funds or spouse to cover full burial costs. Thus, Helen had her brother John buried in the third unassigned plot. Upon Roy's and Helen's deaths, their middle daughter, Shirley LeFevre, inherited the unassigned fourth plot. However, since she was going to be buried next to her first husband, Pete, she did not want or need it. Steven asked his Aunt Shirley if he could have the fourth unassigned plot. Aunt Shirley said yes and immediately sent the deed. Steven then Googled headstone makers in Schenectady, NY, contacted one and asked if they could duplicate the existing headstone design. Even after Steven sent the design information, they sent a representative to Viewland Cemetery to take their own measurements. Being that the headstone was standard in design, they had no trouble matching the existing headstones of the three relatives already buried. Steven commissioned the headstone and, upon completion, had it placed on the empty plot in 2009. Steven's spouse Daniel has requested to be cremated, leaving Steven with an opportunity to be buried with loved ones.
